

HARPLEY PARISH COUNCIL

Harpley Parish Council website: <https://www.harpleypc.info/>

Email: harpleypc@gmail.com

Parish Clerk: Ms. Caroline Boyden. Chairman: Mr. Brian Chandler.

Minutes of the Annual Parish Meeting held, after due notice, on Thursday 26th of May 2022
from 7.00pm at the Village Hall.

No questions or comments from members of the public

023/22 Present: Cllrs B Chandler (Chairman), N Steed, P Peak, S. Rose, C. Alexandra-Kaye,
M. Chenery, and Clerk (C Boyden)
Two members of the public.

024/22 Apologies: Cllrs Pocklington, Cable, and Borough Councillor Jim Moriarty

025/22 To approve the draft minutes from the Annual Parish Meeting held on the 20th of May
2021. Proposed NS and all in favour.

026/22 Chairman's Annual Report:

The council has met on six occasions in the past year. All meetings have been held at the village hall rather than by Zoom. The minutes of these meetings can be seen on our parish website harpleypc.info and on the village noticeboard.

Last year it was found that the main apparatus in the village playground was in a dangerous state. The necessary repairs ran into thousands of pounds, which presented us with a large financial problem. Unfortunately approaches to The National Lottery for a grant fell on deaf ears, however thanks to efforts from our Parish Clerk, a grant to cover a large portion of the bill was obtained. This coupled with a very generous donation from The Houghton Estate the work is now underway and we have been able to purchase a bench to celebrate the Queen's Jubilee, which will be installed in the playground once the repairs are complete.

Date

The village continues to benefit from the efforts of the Council Rangers, who come in periodically to sweep pavements, clean signs, clear drains and generally keep the area tidy. If villagers see any issues that they feel need dealing with, please contact any member of the council and we will pass it on. We have also benefitted from a Community Payback team, who after the lockdown have resumed coming to the village to carry out work at the village hall and around the Brickyard lane walk. We thank them all for their work on our behalf.

Since the demise of the Parish newsletter, we have several ways of communicating with the community. These consist of the Round Robin email system, the village website and now on Facebook at our Harpley Community Page. The church also helps by including any announcements in their monthly circular.

Reports from village organisations are tabled separately and are also visible with the minutes of this meeting.

Councillors will continue to work in your best interests dealing with matters mundane and those more serious. It's good to see the village coming back to life after the restrictions of the last two years and we are looking forward to the Queen's Jubilee celebrations. There are several events organised, including an exhibition in the hall and a street party on Sunday 5th June. A good excuse for a get together

Brian Chandler. Chairman

027/22 Borough Councillor's Annual Report:

New Bin Rounds

The new bin rounds have started. The idea is to make them more even and save fuel. It was not ideal that I, as your Borough Councillor, was given incorrect information on the whether the days of collection would change. It would appear the Borough only found out itself by looking on Serco's website. Hardly an auspicious start and speaks volumes for any contract we might have signed.

Jubilee Coins

The Borough has funded the issuing of 'Jubilee Coins' to be distributed to all primary school children. The Mayor will be visiting schools to hand out the coins and I have been asked to visit schools in Flitcham and West Acre. The coins will also be available for sale.

New Mayor

The new Mayor was elected earlier this week - Cllr Lesley Bambridge.

£150 energy rebate payments are now being made to council tax payers who pay by direct debit. People should start to see the money arriving in their bank account from Monday 16 May onwards. Payments are being made in batches and it will take a few weeks to process all the payments. Residents should note that it may take a couple of days from the payment being made to the funds clearing in their accounts.

We, like many other district and borough councils, have needed to introduce and test new software. We have created additional support to assist with administering this scheme to ensure that people get the payment as soon as possible. The final testing has been completed and payments are now being made. Next week, a form for those who do not pay by direct debit, will be available to complete online.

CIL

New arrangements are being agreed for future CIL funding applications as the last round was very oversubscribed. More details will follow once agreed by Council.

Planning

Continued staffing issues means the department is not working to the satisfaction of the council but I am pushing for greater communication with those who report breaches of planning conditions as the current policy is not to keep such residents informed of progress of investigations. We are a 'computer says NO' council.

Local Plan

The Local Plan is with examiners and they will initially write with questions before a formal hearing. I question as to why we bother as the planning committee takes no notice of whether something is against the Local Plan, particularly if it involves an application from a current or previous conservative councillor. Corrupt, I couldn't possibly comment.

Kind regards

Jim

Jim Moriarty

Massingham with Castle Acre Ward

Norfolk County Council highlights for 2021/22

- 70% of Norfolk streetlights converted, or work underway to convert to LED
- 96.7% of highways inspections completed within timescale
- 99.6% of dangerous highway defects dealt with within timescales set out in the Transport Asset Management Plan
- 94% of Looked after Children (LAC) with an up-to-date Personal Education Plan
- Completed 51,000 Adult Social Care Assessments for 20,700 people.

The 2022/23 Budget

A **£464 million** net revenue budget, a **£25m increase** from last year, with increased spending across key service areas and capital programmes, along with a 2.99 per cent Council Tax rise has been agreed to enable Norfolk to build back better after the pandemic.

Adult Social Services will see an additional **£35.4m** of investment, against savings of £10.5m, **Children's Services** will receive **£23.2m** of further investment, with a further **£10m** this year for the **SEND School Programme**, with £12m against planned savings and **Community and Environmental Services** will see an additional **£11.2m**, against savings of £3.5m.

Within Community and Environmental Services there will be the **£10m pothole fund** to draw upon, **new recycling centres** across the County, **£5m on library upkeep** and extension of services and **£12m on the Better Broadband project**.

There has been substantial **Beryl Bikes and E-Scooters** uptake during the past year, with the average journey being over 3.5km (taking multiple car journeys out of the City) and multiple Local Cycling, Walking Infrastructure Plans (LCWIPS) plans being developed across the County (including Greater Norwich, King's Lynn, Great Yarmouth and Dereham).

These commitments are in keeping with my Conservative Groups 2021 Manifesto pledges to deliver a better future for Norfolk through:

- Protecting valued services
- Investing in care services
- Strengthening community resilience
- Leading on economic development
- Supporting families and young people
- Caring for our environment

Protecting Valued Services

Love Norfolk, Hate Litter – boost for pickers as litter can now be accepted at recycling centres

As the national Great British Spring Clean launched on 28th May 2021, there was good news for litter pickers as the county council announces that it was able to accept litter at any of Norfolk's recycling centres.

From the 28th, anyone who picked a small amount of litter in the county was (and is still able to) bring up to three bags of the waste to a recycling centre for disposal. People looking to organise a group litter pick are still urged to contact their district council who can help provide bags, grabbers and arrange for collection of the waste collected.

£29m 'pothole prevention' work now well underway across Norfolk

Pavements, cycleways and roads all benefited from the county's £29m maintenance programme taking place right across Norfolk this year.

The crucial upkeep work is a key part of the £42 million budget for roads and infrastructure that was agreed in February 2021.

This year £4.5m is being spent on maintaining pavements and paths, for example a £167,000 scheme to remove the existing worn and uneven pavement surface on Kennedy Avenue in Gorleston and replace it with a new smooth asphalt surface will be getting underway in late July.

Brand new £1.9m Norwich South recycling Centre opens today

Norfolk's newest recycling centre opened to the public in December.

The £1.9m recycling centre is the sister site to the new Norwich North recycling centre that opened on 22nd September. Together the two sites will provide improved recycling facilities for the growing greater Norwich area. As the new Norwich South recycling centre opens at Harford, just off the A47/A140 junction, staff bid farewell to the old site at Ketteringham that closed yesterday.

The move to a larger site allows room for a one-way traffic system to smooth traffic flow and reduce queues, low-level bins meaning people will not have to climb steps to recycle their waste, and there is plenty of parking for cars, bicycles and vehicles with trailers.

Fire and Rescue staff presented with awards

The achievements of staff across Norfolk Fire & Rescue Service have been recognised through employee awards.

A ceremony to present the awards was cancelled due to the pandemic, so senior leaders have visited some of the recipients of the 2021 awards individually and will continue to do so when Covid-19 restrictions allow. As well as honouring staff with long service awards, categories also included fundraiser of the year, making a difference awards and leadership accolades.

Council wins national award for its work with the armed forces

Norfolk County Council has been recognised for its outstanding support of the armed forces community in Norfolk, following an announcement from the Ministry of Defence. The local authority has been given the Gold Award, the highest honour handed out through the Defence Employer Recognition Scheme.

The award is given to organisations that employ and support those who serve in the armed forces, service leavers, veterans and their families, with the Gold Award also acknowledging the Council’s partnership working through the Norfolk Armed Forces Covenant Board.

This includes successfully addressing a significant gap in the dental service provision in the West of the County. It negotiated with the Ministry of Defence and NHS England, to ensure the opening of a new dental practice for serving and civilian families at RAF Marham and the surrounding area.

Investing in care Services

Plan to tackle adult social care's winter pressures

Plans to support Adult Social Services with the expected “winter pressures” have been unveiled. A report was heard by Norfolk County Council’s Cabinet in December saying that Adult Social Services across the country are facing unprecedented challenges. However, here in Norfolk practical solutions are being put in place.

The report said: ‘Norfolk Adult Social Services face a level of unprecedented challenge in 2021/22 as a result of the pandemic, with national and local workforce shortages, rising demand in hospitals and the community and the continued infection risk posed by COVID-19 as well as other recurring respiratory viruses such as flu.’

Adult Social Services received 20,279 calls for support between April and October this year – an increase of 9,400 over four years.

Action being taken by the Council includes:

- Expanding action to support people at home or, where appropriate, in short term residential settings
- Stepping up the council’s care recruitment campaign, to tackle staff shortages
- Providing wrap-around support for care settings
- Providing assistive technology, with 100 video phones sent out to homes
- Improving capacity in the Norfolk First Response service
- Supporting mental health services, with three new step down services

Norfolk to take a step closer to new integrated approach to health and care

Norfolk County Council has agreed their support for new local Health and Wellbeing Partnerships, putting local communities at the heart of health and care in their area.

Under the Health and Care Bill, Integrated care systems (ICSs) are being established in all areas of the country to drive changes that are intended to lead to better, more joined-up care for the population.

Much of the activity to deliver integrated health and care and improve the population’s health will happen more locally in the places where people live and work, meaning the new Health and Wellbeing Partnerships will play a key role in driving forward this activity.

Strengthening community Resilience

A new single point of contact for flooding in Norfolk has been launched, allowing residents to report any sort of flooding quickly and efficiently

In the event of flooding residents can call 0344 800 8013 to report it.

Alternatively, residents can continue to report flooding online via [our flooding pages](#). The new number gives residents a single point of contact and allows reports to be made swiftly.

Different agencies respond to different types of flooding, which has historically made reporting a flood by telephone more complicated when and where it is not possible to ascertain the source of floodwaters. The new number provides a single point of contact making the reporting of flooding quicker and easier.

Where there is a potential risk to life from flooding people should still call 999 immediately.

Flood Reserve Fund spending agreed

Norfolk's Cabinet considered the allocation of the council's £1.5m Flood Reserve Fund to support urgent works, repairs and to enable recommendations from flood investigation reports.

The Reserve Fund was set up in the annual budget for 2021/22 agreed by the County Council in their budget meeting in February.

The Cabinet meeting, held on 6th September, discussed the proposed allocation of the funding, including £695k for additional highway and ditch maintenance and £365k for drainage asset improvements.

This funding will be used for work on the 285,864 metres of drainage grips and 31,037 metres of kerb drains on Norfolk's highways, as well as operations to clear some of the county's 145,305 gullies that help drain rain water.

Norfolk Strategic Flood Alliance formally adopts Strategy

The Norfolk Strategic Flooding Alliance (NSFA) has formally adopted an overall Strategy, designed to enable county wide responses to flooding across all agencies involved.

The Strategy, which lays out the NSFA's vision, objectives, approach and structure, is a major milestone in the development of the Alliance, which was founded earlier this year to bring together all agencies and partners involved in planning for and responding to flooding in Norfolk.

£1million awarded to community groups across Norfolk

Community and voluntary organisations across Norfolk were set for a major cash boost as the recipients of the [Norfolk Social Infrastructure Fund](#) were announced.

Norfolk County Council has handed out £1.02 million to 25 different organisations, with grants ranging £3,400 all the way up to £250,000.

In total, the fund saw 64 applications with funding requests that totalled almost £5million. This was more than double the number of applications received last year.

Leading on Economic Development

Ground-breaking partnership to provide Covid-19 recovery support for Norfolk

Norfolk County Council and New Anglia LEP were part of an ambitious cross-border project which helped to deliver a unique package of Covid-19 recovery support for local businesses and people.

The C-CARE (Covid Channel Area Response Exchange) initiative, funded by the Interreg France (Channel) England programme which has allocated €2.2m for C-CARE in Norfolk, was set to reach businesses and people that were been hit hardest in the pandemic.

Drawing on a range of expertise from local government, enterprise and tourism in the UK and France, the project supported people at risk of exclusion from the labour market and businesses at risk of closure.

C-CARE aims to reach 4,500 people and almost 2,000 businesses through its pilot initiatives which include skills training to help individuals find new routes into employment or starting a business, and advice and grants aimed at helping companies reset their business models in response to the pandemic.

In Norfolk the project will work to support over 600 people into employment or self-employment and provide support for up to 800 businesses.

Norfolk to get faster broadband thanks to new Government funding

Hard to reach premises in Norfolk are to receive between £115m and £195m of funding as part of the Government's Project Gigabit to provide 1GB per second broadband to up to 119,000 premises. Contracts will be awarded from February 2022.

Rural homes and businesses across Norfolk and Suffolk will get next-generation gigabit broadband brought to them under a £5 billion plan to level up internet access across the UK.

It means families no longer having to battle over bandwidth and will give people in rural areas the freedom to live and work more flexibly, with the speed and reliability needed to start and run businesses.

Supporting families and young people

Vulnerable young people in Norfolk have chance to take New Roads with launch of dedicated support service

A new service to support some of Norfolk's most vulnerable young people to live within families and achieve their full potential launched on 1st June 2021.

New Roads was set up by Norfolk County Council with significant investment to give young people access to a dedicated support team that sticks with them, understands them, and helps them to achieve and succeed.

Based out of two hubs, in Dereham and Norwich, the service provides young people with education, life coaching and speech and language therapy, as well as access to short term residential beds and foster care placements to help meet their needs.

The aim is to give young people stability, reduce risk-taking behaviour and help to avoid the need for long-term residential care, as well as longer term costs to themselves, the wider system and communities.

Hundreds of free activities available for children and young people this Easter

Bookings are now open for [The Big Norfolk Holiday Fun](#), a programme of free activities that will run over the Easter holidays for 5–16-year-olds across Norfolk.

The scheme is provided as part of the government’s Holiday Activities and Food (HAF) programme and is being delivered by Norfolk County Council in partnership with Active Norfolk.

After the success of HAF over the Christmas break and some brilliant feedback from parents, it’s returning from 4 April though till 19 April with free activities for children eligible for means-tested free school meals. There’ll be a fantastic range of activities taking place including outdoor adventure sports, dance and drama and circus skills across the county. With so many activities on offer, children will have an excellent range of ventures to take part in and may even discover a new passion.

Free online business summer school for 16-25-year-olds in Norfolk

There are so many options to choose from when leaving school - like apprenticeships, university, work experience, getting a job...

Or how about starting a business? It may seem a daunting idea at first, but there’s lots of free help on offer.

Started in August 2021, the Business & IP Centre (BIPC) Norfolk, managed by Norfolk County Council’s Library and Information Service, ran a free online Summer School for 16-25-year-olds to help them decide whether starting their own business might be right for them.

Plans for thousands of new school places in Norfolk

More than a dozen new primary schools could be needed in Norfolk in the next decade, to cater for growing pupil numbers in areas of development.

A report to Norfolk County Council’s Cabinet highlighted the scale of school development that is likely to be needed to support Norfolk’s growing communities. It addresses both demographic changes and population growth from new housing.

The report, discussed by members on 31st January, provided a snapshot of the council’s plans to ensure there are sufficient school places for Norfolk children aged four to 16.

Alongside district councils, the County Council expects to secure nearly £100m in developer contributions for the proposed new and extended schools but if all of the places are needed, a further £191m would need to be found.

Some of this will be met by Community Infrastructure Levy and government grant contributions.

Inspectors praise support for children in care in Norfolk

Most children in care in Norfolk are well looked after and receive good support for their emotional and mental health and education, Ofsted inspectors have found.

A team of Her Majesty's Inspectors visited Norfolk County Council in October for a two-day focused visit of the council's services for children in its care.

In a letter detailing their findings, inspectors said that social workers know their children well, listen to them and help them to understand their experiences.

Ofsted's visit follows a [similar focused visit in 2019](#), which looked at how the council responds to child safeguarding calls and referrals. Following that visit, inspectors described the quality of decision making as "consistently strong".

Caring for our environment

Carbon cutting commitment central to new county transport plan

A plan set to drive the county's transport policy for the next 15 years was discussed by County Councillors in August.

The ambitious Local Transport Plan has at its heart the aim to support a growing economy, strengthen communities and reduce our impact on the environment.

A carbon cutting commitment is central to the transport plan which supports the county council's pledge to achieve net zero carbon by 2030, which Councillors adopted as part of the authority's Environmental Policy in November 2019.

Buzz created as pollinator paradises set for Norfolk roadsides

Tripling the number of Roadside Nature Reserves in Norfolk were among a range of green measures considered by County Councillors last July.

Fewer cuts for rural roadsides, a pollinator action plan, and 188 more roadside nature reserves are all on the cards as part of plans to boost biodiversity along roads and paths across the county.

Also on the agenda were plans to help boost cycling and walking across the county, and development of a new verge management policy which will include information for parish and town councils wishing to take on responsibility for verge cutting in their local area. The aim is to help involve local communities more in decisions about verge management near them.

County Councillor Michael Chenery of Horsburgh

NORFOLK
CONSTABULARY
Our Priority is You

Dear Sir/Madam

Thank you for your invitation for me to join you at the Harpley Annual Parish Meeting. I am unfortunately unable to attend in person due to prior commitments but would like to offer the below annual report from Police.

We have recently had some officer moves, with Inspector Alex Bucher now in post as the Local Policing Command Inspector for the Hunstanton, Dersingham and The Woottons policing area. We also have a new Community Policing Team formed, made up of a Sergeant and 6 PCs. This team are based out of Dereham Police Station but are a County-wide resource whose aim is to support local policing teams with neighbourhood issues and problems that require increased visibility, increased community engagement and increased enforcement by utilising the additional resources and specialist skills that the officers within the team have. This is all part of Chief Constable Paul Sandford's pledge that Norfolk Constabulary will be building on its strong foundations of protecting communities from harm with renewed focus on local Policing with officers becoming more visible in their communities.

Your Local Policing Team have always enjoyed a very close working relationship with the community and while we are still planning our community meetings carefully with emphasis on remaining safe, we are looking forward to more and more in-person meetings and social events. Our Safer Neighbourhood Action Panel Priority Setting Meetings have been booked for the remainder of 2022 with meetings scheduled for 13th July and 10th October, all starting at 7pm and being held online. To join us online at these meetings please email me at EOKingsLynn@norfolk.pnn.police.uk.

I would like to take this opportunity to remind all Harpley community members to remain vigilant against scams – particularly those where fraudsters pretend to be police officers. I would like to reiterate that Police Officers will NEVER ask you to either transfer money or withdraw cash as part of an investigation and if you are cold called by someone purporting to be a police officer asking you to do so, please hang up and call Norfolk Police on 101 to report this.

I and your Local Policing Team Beat Managers would like to express our sincere gratitude to the Harpley Parish Council, local community and businesses for their understanding and support during what has been undoubtedly a very difficult couple of years for everyone and we look forward to meeting with you in the coming months.

Very kind regards

Paula Gilluley, Kings Lynn & Breckland Community Engagement Officer

030/22 Open Forum:

There is no update from Freebridge on the site in the village and the letter dated 2014 to Henry Bellingham advised that demand remains low.

It was pointed out that there was a waiting list of at least 4 for the last home that came up for rental.

The next round of CIL funding comes up in July and the clerk advised that the Village Hall need to get their application in asap with as much support as possible from residents, Borough and County Councillors, local businesses etc.

A broken dog bin was reported on Short Street, and Cllr Steed will cable tie the lid. Check on frequency of bin emptying.

There being no further business the Chairman thanked all present for attending and declared the meeting closed at 19.28 hrs.

DRAFT
